

BEST EXECUTION DISCLOSURE

Execution Venues

In accordance with the Markets in Financial Instruments Directive II (MiFID II), Quest Retirement Solutions Ltd (“the Firm”) has to take all sufficient steps to obtain the best possible result when receiving and transmitting orders for execution on behalf of its clients. This is known as our “Best Execution Policy”. The objective of this policy is to set out the strategy of the Firm, outline the key steps that the Firm is taking to comply with the Best Execution Policy and how those steps enable the Firm to obtain the best possible results for clients.

The Firm will never execute an order itself but will rely on third parties to execute an order. The Firm takes steps to ensure that any third party also has an appropriate Best Execution Policy in place.

The Firm is required to publish annually its top 5 execution venues which are intended to provide the client with valuable data and help investors select the firms they want to work with. To ensure those investors have up to-date information we are setting out below all of our venues for the financial year January 1, 2023 to December 31, 2023.
